

Medsto Beds

Make it Easy on Yourself

- Get everything you need and go straight home, no long waits at a pharmacy for medications.
- Decrease your chances of pharmacy not having the medication in stock, which can delay healing process.
- One less step for family members to worry about, letting them focus on patient care.
- Our pharmacy can work with providers on medications not covered by your insurance.
- Help patient with compliance and adherence to drug regimen.
- Family and caregivers can be involved in counseling process.

Your discharge meds delivered to your room before you leave the hospital!

Hours of Service:

Monday – Friday • 8 a.m. – 4 p.m.
